SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT (IDS)

MS Amendment or Appeal Brief Patents
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 CFR 1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the reference listed on the attached PTO/SB/08. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

This Supplemental Information Disclosure Statement is filed after the mailing date of a Final Office Action and while the application is under Appeal, but before payment of an Issue Fee (37 CFR 1.97(d)). Applicant(s) hereby petition(s) that the Supplemental Information Disclosure Statement be considered.

I hereby certify that each item of information contained in this Supplemental Information Disclosure Statement was first cited in a communication from a foreign (European) patent office in a counterpart foreign (European) application not more than three months prior to the filing of this Supplemental Information Disclosure Statement.

01 FC:1806

The document U.S. 4,574,558 was cited in a corresponding European patent application. This document relates to handling of solid boxes, not beverage bags, and does not show a drinking straw being applied to such a stand up beverage bag while the bag is lying on a conveying surface on a side generally opposite to a surface that will receive a drinking straw. The cited document is no more relevant to the pending claims than previously cited art and is, thus, merely cumulative. However, the document is being submitted herewith under an abundance of caution since this case is under appeal.

A copy of the reference on the PTO/SB/08 is attached.

In accordance with 37 CFR 1.97(g), the filing of this Supplemental Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists. In accordance with 37 CFR 1.97(h), the filing of this Supplemental Information Disclosure statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

It is submitted that the Supplemental Information Disclosure Statement is in compliance with 37 CFR 1.98 and the Examiner is respectfully requested to consider the listed references.

Our check in the amount of \$180.00 covering the fee set forth in 37 CFR 1.17(p) is enclosed. The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 13-2855, under Order No. 30051/32006. A duplicate copy of this paper is enclosed.

Dated: March 21, 2005

Respectfully submitted,

By
